Summary

As a passionate and dedicated Full Stack Web Developer, I am looking for an entry-level opportunity to apply my MERN stack knowledge and project experience. I aim to contribute effectively in a real-time development team, learn industry-level practices, and grow as a professional developer.

Experience

Full Stack Web Development Intern (Virtual)

Jan 2025 – Mar 2025

AICTE Internship Program | Remote

- Learned and built projects using MERN stack
- Gained hands-on experience in frontend and backend development
- Improved skills in HTML, CSS, JavaScript, MongoDB, Express, React, and Node.js.

Education

Suryodaya College of Engineering and Technology, Nagpur

2022-2026

B.Tech Computer Engineering

Navpratibha Junior College

2020-2022

Higher Secondary Education (HSC) - 76%

Daulat Rao Dhawale High School

2020

Secondary School Certificate (SSC) - 74.40%

Projects

1| Conectify - Real-Time Video Conferencing Web App [\[demo\]](#) [\[github\]](#)

Created a real-time video calling web app using **WebRTC** and **Socket.io**.

Implemented features such as seamless video/audio calls, screen sharing, chat functionality, and user authentication.

Designed a clean UI using Material UI.

Technologies: Node.js, React.js, MongoDB, Material UI, JavaScript.

2| MarketMitra – E-Commerce Local Store Platform [\[demo\]](#) [\[github\]](#)

Built a complete e-commerce platform for local stores using MongoDB, Express.js, EJS and Node.js

Users can register, log in, and add their own products to the store, along with reviews and basic product details.

Technologies: Node.js, HTML, EJS, MongoDB, CSS, Express.js, JavaScript and Cloudinary.

3| Artificial intelligence based Virtual Assistant [\[github\]](#)

Created a voice-activated AI assistant using HTML, CSS, and JavaScript that can open websites, answer simple questions, play music, and perform basic system tasks.

Skills

Programming Languages: JavaScript

Frontend: React.js, HTML, CSS, Bootstrap 5, Material UI.

Backend: Node.js, Express.js, MongoDB.

Tools & Version Control: Git, GitHub, VS Code, Render.

Certification

Full Stack Web Development Bootcamp - Udemy

Dec-11-2024

Achievements & Awards

1st position in the Inter-College Quiz Competition.

6th position in a Hackathon organized by KDK College.
